

# Secure Video Tools

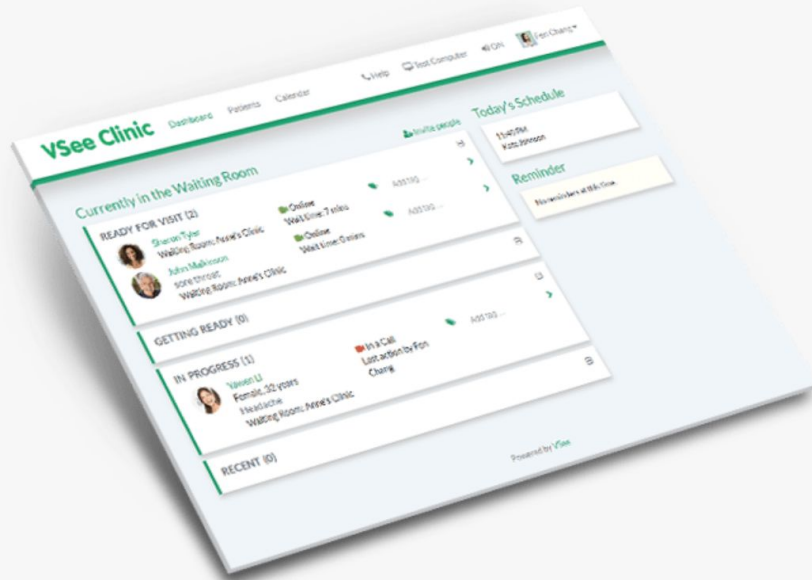

FOR CLINICIANS WHO NEED THE FOLLOWING TOOLS

Secure Video + Scheduling + Waiting Room +SMS

# Free: Personalized Landing Page Secure Video, Scheduling, Waiting Room, Secure Text (SMS)

\$49  
Per Month

## Efficient Workflow Experience

- Get mobile notifications when a patient is ready to be seen
- Triage patients in different waiting rooms all from a single provider dashboard
- Track patients throughout their visit – know exactly which provider they are with at any point
- New! Coordinate among nurses, physicians, and appointment schedulers with customizable assignment tags such as “Ready for physician”

**Ask us about other custom configurations like Uber-style load balancing >>**

# See: Personalized Landing Page (10-minute setup)

The screenshot shows the VSee Clinic interface. At the top left is the 'VSee Clinic' logo. On the top right are links for 'Help', 'Test Computer', 'Login', and a 'Sign Up' button. The main heading reads 'Welcome to Jaslyn Provider's Clinic' with 'Room code: TUPL7' on the right. Below this is a white box containing the text: 'Video visit with your provider when you need it, where you need it. Current number of patients waiting: 0'. A green button with a camera icon and the text 'ENTER WAITING ROOM' is on the right. Below the box is a red warning: 'If this is an emergency, please call 911'. The 'Our Providers' section features a circular profile picture of a woman, the name 'Jaslyn Provider', a grey 'Offline' status indicator, and a 'BIO' section with placeholder text: 'Lorem ipsum dolor sit amet, consectetur adipiscing elit. Nunc quam dolor, cursus sit amet dapibus id, consectetur sed lacus. Nullam placerat bibendum purus et tristique. Pellentesque ac lacus tellus. Donec vitae nulla ut est volutpat tristique sed eget mi. Etiam eu luctus ligula. Sed eu diam suscipit, lacinia sapien ut, mollis libero.'
